Space Savers

Over the years, hundreds of parents have told us that as much as they'd love a new Backyard Adventures play set, their yards were just too restrictive to accommodate a fort, swing beam, slide, and accessories. So this year, we're highlighting our most popular configuration designed exclusively for smaller spaces.

The Adventure Treehouse with 2 Position Accessory Arm is loaded with fun activities and perfect for a corner yard location. This play set has all the same quality and safety features as any other Treehouse design.

Space Saver play sets may be smaller, but they don't compromise play value! Together with your local Backyard Adventures dealer, you can create many play set configurations with the same features and accessories of our regular sized sets in a more compact design.

Space Savers will fit in almost any yard, and still leave room for the surrounding safe area around the play set. Visit your local Backyard Adventures dealer to learn about the ultimate space-saving flexibility of our compact play sets and accessories!
